After the expiration of the times prescribed by this rule, no claim will be accepted without the special leave of the Tribunal.

2. All claims, answers and other written proceedings must be delivered or sent by post to the Tribunal Secretariat, at 21 St. James's Square, London, S.W.1.

GENERAL RULES RELATING TO WRITTEN PROCEEDINGS

Memorial.

3. The claims shall be typewritten or printed and shall state :—

(a) The name, nationality, domicile and address of the Claimant.

(b) In cases where the Claimant is not claiming in his own right and on his own behalf, in what right he claims and the name, nationality, domicile and address of the person on whose behalf he is claiming.

(c) In cases where the claim is made by a company or body corporate, its name, nature and domicile and place of incorporation (if any), and the address of its office or chief office; and in cases where the claim is made by an association not being a company or body corporate (whether recognized by the law of the country where it is domiciled as a legal entity or not), in addition to the above, the names and nationality of all persons who are partners of such association or interested therein.

(d) Whether the claim is brought against a Government or national, and in the latter case giving the name and last known address of such national, or if such national be a company, body corporate or other association, the address of its chief office, if known, or if the address of the chief office be not known, of the office of which the address is known to the Claimant.

(e) The nature of the claim, the relief sought and, where the relief sought is pecuniary, the amount claimed.

(f) Under which article and paragraph of the Treaty the claim is made.

(g) The name and address of the solicitor or other authorized representative (if any) of the Claimant.

(h) The person to whom, and address at which, all communications are to be sent on behalf of the Claimant.

4. The claim shall be accompanied by a concise statement of the facts and an exhibit of copies of any documents relied upon in support thereof.

5. The claim accompanied by such statement and exhibit shall be known as and is hereinafter referred to as the memorial.

6. Six true copies of the memorial shall be supplied with the memorial. The memorial shall, unless otherwise agreed by the parties and permitted by the Tribunal, be in English; and if the memorial be not in English, it shall be accompanied by an English translation and at least three of the copies shall be copies of such translation.

7. On receipt of the memorial and the six copies thereof, the Secretariat will acknowledge such receipt to the Claimant, and will transmit one copy to the Government Agent of the Claimant and two copies of the memorial to the Government Agent of the Respondent. Such last-mentioned Agent shall acknowledge the receipt thereof to the Secretariat and shall cause one copy of the memorial to be served on the Respondent.

8. Except in cases provided for in rule 33 (c), the receipt of the memorial by such Agent shall be sufficient notice to the Respondent of the claim made against him, and the Respondent shall, within sixty days after the receipt of the memorial by such Agent, present his answer to the Tribunal. If no answer be presented, the case may be proceeded with in the absence of the Respondent as provided in Rule 33.

Response.

9. Rule 3 (c), (d), (e), (g) and (h) and Rule 4 shall apply *mutatis mutandis* to the answer; and in addition the Respondent must in his statement of facts accompanying the answer, if he desires to dispute the allegations in the memorial, expressly deny or otherwise answer or explain the same. Any facts not dealt with by the Respondent will be treated as admitted. The answer shall be accompanied by an exhibit of copies of documents relied on.

10. The answer accompanied by such statement and exhibit shall be known as and is hereinafter referred to as the response.

11. Six true copies of the response shall be supplied with the response to the Tribunal and the provisions of the Rule 6 shall apply to the response.

12. On receipt of the response and the six copies thereof, the Secretariat will acknowledge such receipt to the Respondent and will transmit one of such copies of the response to the Claimant (who shall acknowledge the receipt thereof to the Secretariat), and one to the Government Agent of the Claimant and one to the Government Agent of the Respondent.

13. Should the Respondent desire to make a claim against the Claimant, he must do so by a separate claim, and not by a counter-claim, but the Tribunal may, if it thinks fit, hear both claims at the same hearing.

14. (a) If the Respondent objects to the jurisdiction of the Tribunal to entertain the claim or any part thereof, he shall specifically take such objection in his answer, and the Tribunal may, if it thinks fit, consider and decide the point before further dealing with the case.

(b) If the Tribunal should be of opinion that under the provisions of the Treaty its jurisdiction may be excluded, or if a Respondent objects to the jurisdiction of the Tribunal to entertain the claim or any part thereof, the Tribunal may, if it thinks fit, require the party raising this objection to satisfy the Tribunal that its jurisdiction is excluded, or may require evidence on the point to be forthcoming from an expert of the law of the country concerned, or may make such other order as may seem just, and may, if it thinks fit, adjourn the case until such evidence has been obtained or until the order has been carried out.

(c) It shall be the duty of the respective Government Agents to inform the Tribunal if they have grounds for believing that the jurisdiction of the Tribunal is excluded.

REPLY AND REJOINDER.

16. If the Claimant desires merely to deny the facts alleged in the response it is not necessary for him to present a reply, but, if the Claimant desires to answer the facts alleged in the response otherwise than by way of denial, a reply must be sent to the Tribunal within thirty days from the receipt of the response by the Claimant, who shall with the reply supply six copies thereof to the Tribunal. The Secretariat will acknowledge receipt thereof to the Claimant and will transmit one copy of the reply to the Respondent, who shall acknowledge the receipt thereof to the Secretariat, and one copy to each of the Government Agents. Except in such cases, no reply shall be allowed.

If the Respondent desires merely to deny the facts alleged in the reply it is not necessary for him to present a rejoinder, but if the Respondent wishes to answer the facts alleged in the reply otherwise than by way of denial, a rejoinder must be presented to the Tribunal within thirty days from the receipt of the reply by the Respondent, who shall with the rejoinder supply six copies to the Tribunal. The Secretariat will acknowledge the receipt thereof to the Respondent and will transmit one copy of the rejoinder to the Claimant and one copy to each of the Government Agents.

Except in such cases no rejoinder shall be allowed and no further written proceedings after the rejoinder shall be allowed, other than the written argument provided for by Rule 28, except by special leave of the Tribunal.

The provisions of Rule 6 shall apply to the reply and to the rejoinder.

JOINT CLAIMS AND JOINDER OF PARTIES.

18. Where two or more persons are jointly interested in the same claim, they shall present a joint claim, and where the relief sought is sought against two or more persons jointly, the claim shall be made against them jointly.

17. (a) If the Respondent contends that any person not joined as Claimant ought to be so joined in accordance with the preceding rule, he may within twenty days of receipt of the memorial send in, in duplicate, a notice to the Secretariat naming such person and requiring the Claimant to join such person as Claimant and stating the reason why he requires such joinder. The Secretariat will forward such notice to the Claimant, who shall within thirty days from the receipt thereof state whether he consents to and will effect such joinder, in which case all proceedings shall be stayed until it is effected, or whether he refuses or is unable to effect such joinder, stating his reasons for such refusal or inability.

(b) If the Claimant consents to and is willing to effect such joinder, the written consent of the person to be joined shall be sent to the Tribunal within twenty-one days, and the Secretariat shall thereupon amend the memorial by adding the name of such person as Claimant, and notice of such joinder will be sent to the Respondent and the Government Agent of the Claimant and Respondent, and all further proceedings shall be continued as if such joinder had been made from the commencement.

(c) If the Claimant fails to answer the notice as provided by Rule 17 (a) or refuses or states that he is unable to effect such joinder or if the written consent is not sent as provided by Rule 17 (b), notice thereof shall be given by the Secretariat to the Respondent, who may within ten days apply to the Tribunal to stay all proceedings until such joinder be effected. The Secretariat shall give notice of such application to the Claimant, and such application shall be heard by the Tribunal on a day to be fixed by the Tribunal not less than fourteen days after notice of such application has been sent to the Claimant.

18. If the Tribunal is satisfied that any person refuses to join as Claimant, although he ought, to join, the Tribunal may allow the case to proceed without such joinder, but in that case the Tribunal may refuse to entertain any claim in the future by such person with respect to the subject-matter of the claim in the presenting of which he ought to have joined.

19. If any person proceeds against some only of the persons jointly liable to him on the same claim and the Tribunal decides the case whether in favour of or against the Claimant, the Tribunal may refuse to entertain any claim in the future by such person against the other person or persons so jointly liable.

20. (a) If a Respondent contends that some other person who is not joined as Respondent is jointly liable with him to answer the claim, he may within twenty days after the receipt of the memorial send a notice to the Secretariat that he requires such person to be joined as Respondent, giving his name and address, and stating the reasons why he requires him to be joined; and with such notice shall send a sufficient number of copies to enable the Secretariat to send one to the Claimant and to each of the persons whom the Respondent requires to be joined. The Secretariat will thereupon send such notice to the Claimant and to each of the persons named by the Respondent, and the Claimant and each of the said persons shall reply within ten days whether they consent to such joinder or not. In the event of the Claimant and each of such persons consenting to the joinder, the Secretariat will amend the memorial by adding them as parties, and the Claimant shall cause copies of the memorial to be served on each of such persons, and all future proceedings shall be continued as if such joinder had been made from the commencement.

(b) If either the Claimant or any of such persons do not consent to the joinder within ten days, the Secretariat shall notify the Respondent accordingly, and the Respondent may within ten days apply to the Tribunal to stay all proceedings until such joinder be effected. The Secretariat shall give notice of such application to the Claimant and such other person or persons, and such application shall be heard by the Tribunal on a date to be fixed by the Tribunal not less than fourteen days after notice of such application has been sent to the Claimant and such person or persons as aforesaid.

21. (a) If any person not being a party claims to have a legitimate interest in prosecuting or resisting the claim, he may apply to the Tribunal to be joined as claimant or respondent as the case may be, or to be allowed to intervene in the case in such manner as the Tribunal may direct.

(b) If a Respondent contends that he is entitled to some right over against some other person in reference to the claim brought against him, he may give such person notice of his claim against him and at the same time serve him with a copy of the memorial. Such person may thereupon apply to the Tribunal to be joined as Respondent or to be allowed to intervene in the case in such manner as the Tribunal may direct. If such person does not intervene and the Tribunal should be

of opinion at the hearing that there are grounds for coming to the conclusion that the Respondent may succeed in his claim against such person, the Tribunal may, if it decides in favour of the Claimant, stay execution in order to enable the Respondent to prosecute his claim against such person, upon such terms as to security and otherwise as the Tribunal may think just.

SPECIAL RULES FOR PARTICULAR CASES.

22. In addition to the above general rules, the following rules shall be observed in the undermentioned cases:—

(1) *Cases under Article* 305.

The person alleging that he is prejudiced by the decision shall be the Claimant and the other party to the cause or proceeding in which the decision was given or, if there be no such party, the Government shall be Respondent. The claim shall be accompanied by a copy of the decision and shall state in what respect the decision is impugned, with which Section or Sections of the Treaty it is alleged to be inconsistent and in what respect and what relief is claimed. The Claimant may also accompany his claim by copies of any essential written proceedings of the case in which the decision was given, authenticated in the manner prescribed by the law of the country to which the Court belongs. The Tribunal may of its own motion require the record of the Court to be transmitted to the Tribunal and it shall then be open to the inspection of the parties and their agents.

(2) *Appeals under Article* 296, *Annex, paragraph* 20.

The Appellant shall be Claimant, and the party in whose favour the decision was given and the two clearing offices shall be Respondents. The claim shall state the grounds of the appeal and shall be accompanied by a copy of the decision appealed against and of all documents in the possession of the Claimant relevant to the case, and by a reasoned argument by the Claimant in support of his appeal. Together with the claim and documents, three copies thereof shall be supplied to the Tribunal, and the Claimant shall serve copies thereof on the opposite party and the Agent of the two clearing offices.

The Agent of the clearing office of which the Respondent is a national shall within thirty days of receipt of the claim supply to the Tribunal four copies of all documents relating to the case which are in his possession or power, unless the Claimant has already supplied them with his claim, and a statement of any facts found by the clearing offices. In addition, the Respondent or the clearing offices may supply a reasoned argument in writing in support of the decision of the two clearing offices.

Any of the parties (including the Agents of the clearing offices) may apply to the Tribunal to hear arguments before it, but in the absence of such application the Tribunal shall be at liberty to determine the case on the written proceedings without further argument, or to notify to the parties if it desires to hear an argument.

The Secretariat on receipt of the claim shall inform the Claimant what is the amount of deposit to be paid or security to be given, and such deposit shall be paid or security given within ten days, and in default the claim may be dismissed.

(3) *Cases under Article* 296, *Annex, paragraph* 16.

Where cases are referred to the Tribunal under the above provision, the procedure laid down elsewhere in these rules shall not apply. The parties shall present a case jointly to the Tribunal, or each may present a case separately. In either event the contentions of the parties shall be set out in the case or cases which shall be accompanied by all relevant documents. Six true copies of the case or cases and documents shall be prepared and lodged with the Secretariat. The matter will be determined by the Tribunal as laid down by Article 296, Annex, paragraph 16. The limitations of time imposed by these rules shall not apply to such cases; but where the two clearing offices are unable to agree whether a debt claimed is due, or in case of a difference between an enemy debtor and an enemy creditor or between the clearing offices, and the parties to the dispute do not desire to present a case jointly, either clearing office may, within ten days after giving notice to the other clearing office of such intention, refer the case to the Tribunal under the conditions provided for by Article 296, Annex, paragraph 16. The enemy creditor or the enemy debtor may similarly, after giving twenty days' notice to the two clearing offices, refer the case to the Tribunal, unless the case shall have been referred to the Tribunal meanwhile by the clearing offices or either of them. The case shall proceed as if it had been referred to the Tribunal by the clearing offices.

CLOSE OF WRITTEN PROCEEDINGS.

23. The Secretariat will inform the respective Government Agents and parties when the written proceedings are closed.

24. (a) Within twenty days after the date of the notice that the written proceedings are closed, the parties shall send to the Secretariate a statement of the witnesses, if any, whose testimony they desire, giving in each instance the name, nationality, occupation and address of such witness, and stating whether the party desires that the testimony of such witness shall be given at the hearing or in case of whether it is desired that the evidence shall be taken upon commission, and shall at the same time furnish all parties and the Government Agents with a copy. The Tribunal will thereupon determine whether the evidence shall be taken on commission or will make such other order as seems fit. The Tribunal will before making an order hear any party or Government Agent who may desire to be heard on the matter on his forthwith applying to be heard, and will fix a date for all parties to be heard if they desire.

(b) Where the Tribunal orders that the witness shall be heard at the hearing the Government Agent shall be responsible for summoning the witness in accordance with the method applicable in such case unless the Tribunal otherwise directs. Travelling expenses and subsistence money must be supplied to the witness at the expense of the party at whose instance he is summoned. The amount of the same will be fixed by the Tribunal, and must be paid in advance to the Secretariat. If the subsistence money so paid should prove insufficient, the party at whose instance the witness was summoned must pay any further amount necessary, otherwise the witness will be allowed by the Tribunal to depart.

(c) Where the Tribunal directs that evidence shall be taken on commission the evidence shall be returnable to the Tribunal and copies shall be supplied by the Secretariat to any party or either Government Agent or any other person interested, and in the opinion of the Tribunal entitled to the same, on application and payment.

(d) Where it is desired that books, documents or other objects in the possession or power of any person should be produced for the use of the Tribunal, application may at any time after the close of the written proceedings be made to the Tribunal to obtain their production. The Tribunal will thereupon, if it thinks fit, endeavour to obtain possession of such books, documents or other objects by direct request addressed to such person, and, if such request is not complied with, will take such other steps as may be requisite and desirable to ensure production. Books, documents or other objects so coming into the custody of the Tribunal shall, if the Tribunal thinks fit, be open to inspection by such persons and at such times as the Tribunal shall direct.

25. Should a party or either of the Government Agents desire to inspect any books or documents in the possession, power or control of any party or of either Government Agent he shall make application to that party or Agent to produce such books or documents for inspection; and if such production is refused, application therefor may be made to the Tribunal upon ten days' notice being given to that party or Agent, and the Tribunal may make such order thereon as it thinks fit.

26. The Tribunal may of its own motion at any stage of the proceedings require evidence on any point.

27. The Tribunal may of its own motion at any stage of the proceedings require any party or either Government Agent to produce any book or document before it, or to allow any person designated by the Tribunal to examine and take extracts from any book or document in the possession of such party or Agent.

28. If in cases other than those under Article 266 any party or either of the Government Agents desires to submit a reasoned argument in writing, he may do so at any time after the written proceedings are closed, and not less than ten days before the date fixed for the hearing of the case, but such argument in writing shall be based only on facts alleged in the memorial, response, reply or rejoinder.

The submission of such written argument shall not preclude the parties or Agents submitting it from also addressing oral argument. The Tribunal reserves the right, if it shall think fit, to require in addition oral argument in cases where only written argument has been submitted.

29. The President will on the conclusion of all preliminary matters fix the date and place of hearing, and the Secretariat will inform the respective Government Agents and parties of his decision.

30. The hearing shall be in public, and the parties shall either by themselves or by counsel or other recognized advocate present their cases. In cases connected with patents the parties may by leave of the Tribunal be represented by patent agents and *Patentanwälte*. Unless otherwise ordered, the Claimant shall begin and have the right to reply.

31. (a) The parties shall have the right themselves to give evidence, and shall, if required by the Tribunal, do so. Each party may call such witnesses as he pleases before the Tribunal and may question them by himself or his counsel or admitted representative. Each party shall have the right to question any witness called by the other party (including the opposite party himself) whether before the Tribunal itself or elsewhere, by himself or by counsel or other admitted representative.

If the party who does not call the witness questions him, the party who has called him may thereupon put further questions to the witness on matters arising out of the questions put to the witness by the other party. Unless the Tribunal shall otherwise order, no further questions shall be put to the witness by or on behalf of the parties. The Tribunal, however, will at any stage put any questions that it may think fit.

Provided always that a party to a case shall not be summoned or compelled to give evidence unless the Tribunal shall have given leave for such witness to be summoned or to give evidence or unless the Tribunal shall have required of its own motion that such party shall attend and give evidence.

(b) No oath shall be required from or administered to any witness before the Tribunal or on any Commission ordered by the Tribunal, unless the Tribunal otherwise directs.

32. The Tribunal may at any stage of the proceedings obtain a report from any person on any particular point, such person to be agreed upon by the parties or in default of agreement to be appointed by the Tribunal. The Tribunal may view any premises, locality or object if it deem such a view necessary.

33. If any party fail to appear, the case may be proceeded with in his absence, but the Agent of the Government of such party may intervene and himself take up the case, and the Tribunal may on the application of such Agent or on its own motion adjourn the case.

34. It shall be permissible for either Government to conduct the case of its national through its Agent, and such Agent may appear either in person or by counsel or other recognised advocate. Either Agent may also appear independently of the parties by himself or by counsel or other recognised advocate, and may intervene in the proceedings in such manner and at such time as the Tribunal may direct.

35. (a) If the Government Agent of the Respondent after making all reasonable efforts shall be unable to cause the memorial to be served upon the Respondent as provided by Rule 7 at the expiration of 21 days from the receipt of the memorial by such Agent, he shall forthwith report such failure to the Secretariat, giving the reasons for such failure and stating the steps he has taken to effect service, and the Secretariat shall inform the Claimant that the Respondent has not been served.

(b) On the application of the Claimant, the Tribunal may thereupon, if it thinks fit, allow the claim to be proceeded with or may make such other order in the matter as it thinks fit. The Government Agent of the Respondent shall be entitled to intervene on such application being made, and the Claimant shall give ten days' notice to such Agent of such application.

36. If at any stage of the proceedings a party requires to prove any specific fact it shall be open to the party to give a notice to the other party to admit or dispute such fact. If the party to whom notice is so given dispute the facts, and such fact is subsequently established, the Tribunal may in

its discretion order the party who had disputed such fact to pay the costs of proof and any other costs occasioned thereby, whatever may be the result of the case, provided always that any such admission shall only be binding upon the parties.

37. Where a claim is made against either Government, and such claim is admitted by the Government in question, it shall be competent to the parties to agree upon a form of decision setting out with sufficient detail the claim which is admitted and the payment and restitution or other remedy or relief agreed upon, and to submit the same to the Tribunal, who, if it thinks fit, and if the Government Agent of the national claiming has not objected, will register the same as a decision, and the same shall, when registered, be deemed for all purposes to be a decision of the Tribunal: Provided that the Tribunal will not register any such decision unless the Government proves that he has submitted a true copy of the same to his Government Agent at least ten days previously. The same procedure with any necessary modification may be adopted where the claim is made against a national of either Government, provided that in such case the Agent of neither Government has objected, and it is proved to the satisfaction of the Tribunal that the respective Government Agents have had true copies of the form of decision submitted to them at least ten days previously.

38. If in any case the parties agree upon the facts and desire the determination of the Tribunal on those facts, they shall transmit an agreed statement of facts to the Tribunal, and it shall be competent to the Tribunal, with or without argument, according to the desire of the parties, to determine the questions at issue provided that the Tribunal may in any case require arguments to be presented to them:

Provided also that in all cases the assent of the Government Agents, in writing, to the correctness of the facts as stated shall be obtained, except where the claim is against a Government.

Decisions.

39. The decision of the Tribunal will in all cases be drawn up in writing and registered, and copies thereof will be sent by the Secretariat to the parties and Government Agents. The decision will also deal with costs and expenses.

40. The Tribunal reserves to itself the power to correct an error in any decision or other order arising from a slip or accidental omission, or to explain any ambiguity or other doubtful expression appearing in the decision. It shall be open to the parties or to the Government Agents to give notice of application to the Tribunal for any such correction or for any such explanation within thirty days of the publication of the decision. No such application will be heard after the expiration of that period.

41. The Tribunal reserves the right to stay execution on its decisions in any case where it appears proper to do so.

42. (a) The Tribunal may require to be satisfied that all notices and communications prescribed by these Rules have been duly received. The production of a receipt from the postal authority of the posting of a registered postal packet shall be conclusive evidence of the receipt of a notice or communication by the person to whom it is addressed until the contrary is proved. In cases in which delivery by registered post is not practicable, heavy books and documents may be sent by ordinary post and unregistered or by public carrier, and, on proof of such posting or delivery to such carrier, the books or documents shall be deemed to have been received by the person to whom they were addressed, unless and until the contrary is proved.

(b) All communications to the parties shall be delivered at or sent to the address and to the person named by them as provided by rule 8 (b).

(c) If service or delivery as above provided should prove impracticable, the Tribunal will upon application give such directions as it may think fit, or may dispense with service.

43. In cases where any person is not residing in Europe, the additional time taken for any postal communications to reach or to arrive from the country in which such person is residing shall not be taken as included in the time prescribed by these rules, and further time may be granted on the application of any party where, owing to difficulties of communication or other good cause, such extension appears desirable.

Party shall include any person who has intervened in or has been allowed to take part in the case.

44. The proper expenses of witnesses will be allowed, and may be advanced by the Tribunal if called in pursuance of its order.

45. The Tribunal will permit amendments of written proceedings, extensions of time, and grant other dispensations from these rules in all such cases as may be necessary in the interests of justice and equity, and the Tribunal reserves power from time to time to alter, abrogate, or add to these rules as experience may require.

46. These rules are supplemental to the rules of procedure relating to the Mixed Arbitral Tribunal laid down in sections III to VII of Part X of the Treaty, and must be read in conjunction with such rules of procedure.

September 4, 1920.

ANNOUNCEMENT BY THE BOARD OF TRADE.

The Mixed Arbitral Tribunal to be established between the United Kingdom on the one hand and Germany on the other hand under Article 304 of the Treaty of Versailles has been constituted and is about to begin work in London. The President of the Tribunal is Professor Eugène Borel, a Swiss jurist and Professor of Public and International Law in the University of Geneva. The British and German members are respectively Mr. R. E. L. Vaughan Williams, K.C., of Lincoln's Inn, and Dr. jur Adolph Nicolaus Zacharias, Senatspräsident of the Hanseatic Oberlandesgericht.

A great part of the work of the Tribunal is to decide as to debts under Article 296 of the Treaty where a difference has arisen between an enemy debtor and an enemy creditor or between the British and German clearing offices. Under Article 297 the Tribunal can determine compensation to be

borne by Germany in respect of damage or injury inflicted on the property, rights or interest of British Nationals in German territory as they existed on August 1, 1914 by the exceptional war measures or measures of transfer mentioned in the Annex to that Article. The other matters within the jurisdiction of the Tribunal are set out in Articles 298, 300, 302, 304, 308 and 320 of the Treaty.

The Procedure before the Tribunal is to some extent regulated by Sections III to VII of Part X of the Treaty, but the Tribunal has settled further and more detailed rules dealing with the manner in which claims must be submitted. Printed copies of those Rules of Procedure, which have been issued in the Series of Statutory Rules and Orders (No. 2062), may be purchased, price three pence, through any bookseller, or may be obtained on application to the Secretariat of the Tribunal. They should be read in conjunction with the provisions of the Treaty of Peace Order, 1919 (Statutory Rules and Orders 1919, No. 1517, published by H. M. Stationery Office, Price 2d.).

The British Government has provided a Court for the purposes of the Tribunal, and an office for the Secretariat at 21, St. James's square, London, S.W. 1. Mr. Harold Russell, Barrister-at-Law, has been appointed by the Foreign Office to act as British Secretary and the German Government is also appointing a Secretary (the two to act together as joint Secretaries of the Tribunal).

The High Contracting Parties under the Treaty have agreed that their courts and authorities shall render the Mixed Arbitral Tribunal, direct, all the assistance in their power as regards transmitting notices and collecting evidence. The decisions of the Tribunal are final and conclusive. The place and time of sitting will be determined by the President of the Tribunal, and may be in London, Germany or elsewhere as the convenience of the parties or witnesses may require. The sittings will be public.

(vi) the Executive Engineer of the district or if there is no such Engineer or if there is more than one such Engineer the Superintending Engineer of the circle or the Executive Engineer whom he may nominate in this behalf.

No. 223.—Whereas on the 19th December 1920 the assent of the Governor-General was accorded to the Madras Local Boards Act, 1920, and the said assent has been promulgated for general information in the *Fort St George Gazette*, dated 4th January 1921:

In exercise of the powers conferred on them by section 192 (2) (c) read with the first proviso to section 237 of the said Act, the Local Government hereby notify for general information the following draft of rules for the conduct of inquiries and the decision of disputes relating to elections held under the Madras Local Boards Act, 1920.

Notice is hereby given that any suggestion or representation which any person may desire to make respecting the provisions of these draft rules will be considered if submitted within six weeks of the date of publication of this notification. None received after that date will be considered.

Draft Rules.

No election held under the Madras Local Boards Act, whether of a member or president of a district board, a taluk board or a union board or a vice-president of a district board or taluk board, shall be called in question except by an election petition presented in accordance with these rules, to the district or subordinate judge having jurisdiction, by any candidate or elector against the candidate (hereinafter called the returned candidate) who has been declared by the president of a local board to have been duly elected.

2. The petition shall be presented within seven days of the date of the declaration of the result of the election and shall contain a statement, in concise form, of the material facts on which the petitioner relies and the particulars of any corrupt practice which he alleges, and shall, where necessary, be divided into paragraphs numbered consecutively. It shall be signed by the petitioner and verified in the manner prescribed for the verification of pleadings in the Code of Civil Procedure, 1908.

3. The petitioner may, if he so desires, in addition to calling in question the election of the returned candidate, claim a declaration that he himself or any other candidate has been duly elected; in such case he shall join as respondents to his petition all other candidates who were nominated for the election but had not withdrawn before the polling.

4. (1) At the time of presentation of the petition the petitioner shall deposit with it, as security for the costs of the same, a sum of fifty rupees in cash in the case of union board elections and two hundred rupees in cash in other cases.

(2) If the provisions of sub-rule (1) are not complied with, the district or subordinate judge shall dismiss the petition.

(3) Upon compliance with the provisions of sub-rule (1) the district or subordinate judge shall proceed to inquire into the petition himself or may, in the case of union board elections direct any court subordinate to him to hold the enquiry.

5. The enquiring authority shall, as soon as may be, cause a copy of the petition to be served on each respondent and on the president of the local board concerned. Copies shall also be affixed to the notice board of his court and of the local board's office. He may also call on the petitioner to execute a bond in such amount and with such sureties as he may require for the payment of any further costs. At any time within fourteen days after such publication, any other candidate shall be entitled to be joined as a respondent on furnishing similarly such security as may be demanded by the enquiring authority.

6. Every election petition shall be inquired into, as nearly as may be, in accordance with the procedure applicable under the Code of Civil Procedure, 1908, to the trial of suits; provided that it shall only be necessary for the enquiring authority to make a memorandum of the substance of the evidence of any witness examined by him.

7. (1) No election petition shall be withdrawn without the leave of the enquiring authority.

(2) If there are more petitioners than one, no application to withdraw a petition shall be made except with the consent of all the petitioners.

(3) When an application for withdrawal is made, notice thereof fixing a date for the hearing of the application shall be given to all other parties to the petition and shall be published as in rule 5 supra.

(4) No application for withdrawal shall be granted if the enquiring authority is of opinion that such application has been induced by any bargain or consideration which he considers ought not to be allowed.

(5) If the application is granted—

(a) the petitioner shall be ordered to pay the costs of the respondent theretofore incurred or such portion thereof as the enquiring authority may think fit; and

(b) such withdrawal shall be communicated to the president of the local board concerned.

8. An election petition shall abate on the death of a sole petitioner or of the survivor of several petitioners, and such abatement shall be communicated by the enquiring authority to the president of the local board concerned.

9. Where at an inquiry into an election petition any candidate, other than the returned candidate, claims the seat for himself, the returned candidate, or any other party to the proceeding may give evidence to prove that the election of such candidate would have been void if he had been the returned candidate and a petition had been presented complaining of his election.

10. At an inquiry into an election petition the local board concerned may appoint a legal practitioner or other person to attend and take such part therein as the enquiring authority may allow.

11. If in the opinion of the enquiring authority,

(a) the returned candidate, his agent, or any other person with the connivance of such candidate or agent, has committed, or abetted the commission of, any one of the offences described in section 5d of the Madras Local Boards Act, or in Chapter IX-A of the Indian Penal Code, or

(b) the election of the returned candidate has been procured or induced, or the result of the election has been materially affected, by any of the following corrupt practices:—

(i) any election offence falling under section 58 of the Madras Local Boards Act or under Chapter IX-A of the Indian Penal Code when committed by a person who is not a candidate or his agent, or a person acting with the connivance of a candidate or his agent;

(ii) any payment or promise of payment to any person whomsoever on account of the conveyance of any elector to or from any place for the purpose of recording his vote;

(iii) the hiring, employment, borrowing or using for the purposes of the election of any boat, vehicle or animal usually kept for letting on hire or for the conveyance of passengers by hire:

Provided that any elector may hire any boat, vehicle or animal or use any boat, vehicle or animal which is his own property to convey himself to or from the place where the vote is recorded;

(iv) the hiring, using or letting, as a committee-room or for the purpose of any meeting to which electors are admitted, of any building, room or other place where intoxicating liquor is sold to the public; or

(c) the result of the election has been materially affected by any irregularity in respect of a nomination paper, or by the improper reception or refusal of a vote, or by any non-compliance with the provisions of the Act or the rules made thereunder,

the election of the returned candidate shall be void.

12. (1) At the conclusion of the inquiry the enquiring authority shall declare whether the election of the returned candidate is void under rule 11.

(2) If he declares the election of the returned candidate void, he shall further pass an order either

(a) declaring that any other party to the petition who has under these rules claimed the seat has been duly elected; or

(b) ordering a fresh election.

(3) The order under sub-rules (1) and (2) shall be final.

13. When an election is declared void under rule 12 (1) and a fresh election is ordered under rule 12 (2) (b), the seat of the returned candidate shall be deemed to be vacant from the date of the order and the president of the local board concerned shall forthwith take the necessary steps for holding such fresh election.

No. 225.—Whereas on the 19th December 1920 the assent of the Governor-General was accorded to the Madras Local Boards Act, 1920, and the said assent has been promulgated for general information in the *Fort St. George Gazette*, dated 4th January 1921;

In exercise of the powers conferred on them by sections 199 (2) (*b*) and 19 read with the first proviso to section 237 of the said Act, the Local Government hereby notify for general information the following draft of rules for the conduct of elections of members of taluk and union boards.

Notice is hereby given that any suggestion or representation which any person may desire to make respecting the provisions of these draft rules will be considered if submitted within six weeks of the date of publication of this notification. None received after that date will be considered.

DRAFT RULES FOR THE CONDUCT OF ELECTIONS OF MEMBERS OF TALUK AND UNION BOARDS.

1. (1) Not less than thirty days before the date fixed for the holding of an election the president shall prepare and publish a notice stating

(*a*) the number of persons to be elected,

(*b*) the circles or wards for which they are to be elected,

(*c*) the date on which and the hours between which nomination papers should be presented to him,

(*d*) the date on which the nomination papers will be taken up for scrutiny, not being less than fifteen days before the date of the election,

(*e*) the day on which and the place or places where the votes of the electors will be taken should there be a poll and the hours during which the poll will be open, not being less than six hours between 8 a.m. and 5 p.m., and

(*f*) the day on which and the place and hour at which the president will commence to count the votes.

(2) The notice shall be published by being affixed in the office of the local board concerned.

(3) Copies of the notice shall be posted up

(*a*) in the case of union board elections in three conspicuous places in each ward for which an election is to be held and where a union board area is not divided into wards in three conspicuous places in the union, and

(*b*) in the case of taluk board elections in the offices of Tahsildars, Deputy Tahsildars and Sub-Magistrates and at the chavadi, post office or other conspicuous place in each village included in the circle for which the election is held.

Nomination of Candidates.

2. (1) The nomination of every candidate shall be made by means of a nomination paper in Form No. I, which shall, on application, be supplied free by the president to any elector whose name is on the electoral roll for the circle or ward.

(2) Every nomination paper shall be subscribed by two such electors as proposer and seconder and the candidate shall subscribe a declaration on it expressing his willingness to stand for election.

(3) The same elector may subscribe as many nomination papers as there are vacancies to be filled. Each candidate shall be nominated by a separate nomination paper.

(4) Every nomination paper shall be presented by the proposer or seconder on the date and during the hours appointed to the president at the board's office.

(5) Nomination papers received after the date and time so appointed shall be rejected.

3. On the day appointed for the receipt of nomination papers and immediately after the hour for their receipt is past the president shall publish in the board's office a list in Form No. II of such nominations as appear to him to be valid with a notice that the nomination papers will be taken up by him for scrutiny at the office of the local board on the date fixed in rule 1 at the hour specified by him.

Scrutiny of nomination papers.

4. (1) On the date and at the time appointed for the scrutiny of nomination papers, every candidate and his proposer and seconder and any other elector of the circle or ward may attend at the place appointed, and the president shall give them all reasonable facilities for examining the nomination papers of all candidates which have been received by him as aforesaid.

(2) The president shall examine the nomination papers and shall decide all objections which may be made to any nomination paper on the ground that it is not valid under rule 2 and may reject, either of his own motion or on such objection, any nomination paper on such ground; the decision of the president shall in every case be endorsed by him on the nomination paper in respect of which such decision is given.

5. (*a*) Immediately after the scrutiny and the acceptance or rejection of nomination papers in the manner described in rule 4 is completed, the president shall make up a final list of valid nominations in Form No. III and publish it on the notice board of his office not later than two days before the date fixed for the election.

(*b*) Copies of the list shall forthwith be sent to be posted in the offices of Tahsildars, Deputy Tahsildars and Sub-Magistrates and in a conspicuous place at each polling station.

(*c*) The final list shall describe the candidates as in their nomination papers and exhibit their names in alphabetical order.

6. (1) Any candidate who has been duly nominated for election may withdraw his candidature at any time by written notice signed by him and delivered (*a*) in the case of union board elections to the president before midday of the day previous to that fixed for the poll and (*b*) in the case of taluk board elections to the president not later than 12 noon on the fifth day after the final list of valid nominations is published by the president on the notice board of his office; but no candidate who has withdrawn his candidature may subsequently cancel his withdrawal and stand at the same election.

(2) The president shall remove from the ballot paper the name of any candidate who

(*a*) dies at any time before the poll is taken, or

(*b*) has withdrawn his candidature in accordance with the provisions of sub-rule (1).

7. (1) If the number of candidates who have been validly nominated and have not withdrawn their candidature is equal to the number of vacancies, all such candidates shall be deemed to be duly elected.

(2) If the number of such candidates is less than the number of vacancies all such candidates shall be deemed to be duly elected and the president shall start election proceedings afresh for filling up the remaining vacancy or vacancies and repeat the formalities prescribed in rules 1 to 5.

8. (1) If, owing to there being more candidates than there are vacancies, a poll has to be taken, the president shall appoint forthwith one or more polling officers for each polling station and may pay them reasonable remuneration for their services. The president may also, if necessary, appoint one or more identifying officers to assist the polling officer in identifying the voters. Polling officers shall neither be members for the circle or wards for which the poll is to be taken nor registered voters therein.

(2) If, after the taking of a poll has become necessary under sub-rule (1), the number of validly nominated candidates becomes, owing to the death of a candidate before the poll is taken, equal to, or less than, the number of vacancies, election proceedings shall be started afresh and the formalities prescribed in rules 1 to 6 repeated.

Polling.

9. (1) The polling officer shall keep order at the station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time, and shall exclude all persons except his own clerks, the candidates or agents whom the candidates may have appointed in writing to appear in their stead at the polling station, the Police on duty, and such persons as may be admitted for the purpose of identifying the electors.

(2) The letter of a candidate appointing an agent to represent him at the polling station shall be sent so as to reach the polling officer before the voting commences.

10. The ballot box shall be so constructed that the ballot papers can be introduced therein but cannot be withdrawn therefrom without the box being unlocked. Just before the commencement of the poll the polling officer shall show the ballot box empty to such persons as may be present at the polling station and shall then lock it up and place a seal upon it in such manner as to prevent its being opened without breaking such seal and place it in his view for the receipt of ballot papers and shall keep it so locked and sealed. The key of the ballot box shall also be placed under seal.

11. The president shall provide for each polling officer such number of clerks as he may consider desirable and shall supply him with a copy of the electoral roll, a list of the nominations, ballot papers and boxes, and such other papers, stationery and forms as may be necessary.

12. Every ballot paper shall be in Form No. V and shall have the names of the candidates printed on it in alphabetical order. If there are two candidates of the same name, they shall be distinguished by the addition of their occupation or in some other suitable way.

13. (1) The name of every person presenting himself to vote and his number on the electoral roll shall be entered in a signature slip maintained in Form No. IV, and the voter shall thereafter, if he is literate, sign his name in the column provided for that purpose, or, if he is illiterate, shall fix his thumb-impression thereto.

(2) The voter shall present his slip to the polling officer who, after satisfying himself that it has been duly signed by the voter or impressed with his thumb mark, shall file it; provided that the polling officer may, if any doubt should arise as to the identity of the voter, require that the slip be attested by any person present who can identify the voter. If there is no such person present, the polling officer shall note on the slip the fact that the voter's identity has been questioned.

(3) Special facilities shall be accorded to women voters who observe the purda system in accordance with the regulations framed by the local board in that behalf.

14. Immediately before a ballot paper—that is the counterfoil of Form No. V—is handed over to the voter, the polling officer shall

(i) initial it on the back;

(ii) enter the voter's number in the electoral roll on the corresponding counterfoil of Form No. V; and

(iii) affix his initials against the voter's name in the electoral roll.

The polling officer shall then tell the voter how many votes may be given and shall give him the ballot paper.

15. The voter on receiving the ballot paper shall forthwith proceed to the place set apart for the purpose and there mark a cross against the name of the candidate or candidates for whom he intends to vote. He shall then fold up the ballot paper so as to conceal his vote and put it into the ballot box.

16. (1) If the voter is unable to read the ballot paper or to make a cross thereon, and applies for assistance in doing so, the polling officer shall read it for him and, if so required, mark the ballot paper according to the directions of the voter and give it to him to put in the ballot box.

(2) In the case of every voter whose ballot paper is marked in this manner by the polling officer, a note shall be made on the corresponding counterfoil of Form No. V by the polling officer of the reason why it was so marked.

(3) The marking of a ballot paper by the polling officer under clause (1) shall not be questioned subsequently on the ground that it was not in accordance with the voter's directions.

17. (1) Any ballot paper which is not duly marked or on which votes are given to more candidates than there are members to be elected or on which any mark is made by which the voters may afterwards be identified, shall be invalid.

(2) If more than one cross is placed against any candidate's name, they shall count only as one vote in his favour, provided that the voter has not placed crosses against more candidates than there are members to be elected.

(3) If the cross or any one of the crosses is so placed as to render it doubtful for which candidate such mark is intended to apply, the vote concerned, but not the whole ballot paper in the cases where more than one vote can be given on the same ballot paper, shall be invalid, provided again that the voter has not placed crosses against more candidates than there are members to be elected.

18. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the polling officer may ask, be entitled to mark the ballot paper in the same manner as any other voter. The ballot paper (called in these rules a tendered ballot paper) shall, instead of being put into the ballot box, be given to the polling officer, and endorsed by him with the name of the voter and his number on the electoral roll and set aside in a separate packet and is not to be counted by the president. The signature or thumb impression of the voter concerned shall be taken on signature slips in Form No. IV, but should be attached to their connected tendered ballot papers and separately filed.

19. A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot be conveniently used as a ballot paper may, on delivering it to the polling officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt one, the latter one together with its counterfoil being marked as cancelled.

20. Immediately after the close of the poll, the polling officer shall, in the presence of the candidates or their agents, make up into separate packets and seal with his own seal and the seal of such candidates or their agents as may desire to affix their seal—

(1) each ballot box in use at the station unopened;
(2) the keys of such boxes;
(3) the unused and spoilt ballot papers, both ordinary and tendered, with their counterfoils,
(4) the tendered ballot papers with the signature slips attached to them;
(5) the marked copies of the electoral roll and the counterfoils of ballot papers, and
(6) the file of signature slips.

21. The packets shall be forwarded at once by the polling officer to the president accompanied by a statement in Form No. VI. Each packet shall be numbered and shall bear a note as to its contents.

22. On the day and at the hour appointed for the counting of votes, and in the presence of such candidates or their agents as may be in attendance the president shall proceed as follows:—

(a) The ballot box or boxes relating to each polling station shall be opened one after another; the president shall take out the papers therefrom, count them or cause them to be counted and record the number thereof in a statement in Form No. VII.

(b) The president shall then mix together the whole of the ballot papers of all the ballot boxes. The examination and counting of the votes will then commence. The president shall, on every ballot paper which is wholly or partially rejected, endorse the word 'rejected.' If any candidate or agent present questions the correctness of his rejection order, he shall also record on the ballot paper the grounds of rejection briefly.

(c) The president shall, as far as practicable, proceed continuously with the counting of the votes; and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or their agents as may desire to affix them; and adequate precautions shall be taken for their custody.

23. (a) After the president has completed the scrutiny and counting he shall prepare a return of the results of the polling in Form No. VIII, and, after verifying the totals of the votes with the figures in Forms Nos. VI and VII shall, subject to the provisions of rule 28, declare the election of the candidate or candidates to whom most valid votes have been given.

(b) Any candidate or his agent shall, on application, be permitted to take a copy or an extract from the return in Form No. VIII.

24. The president shall not open the sealed packets containing the tendered ballot papers and their connected signature slips or the marked copies of the electoral roll.

25. Upon the completion of the counting and the declaration of the results, the president shall seal up in separate packets

(1) the ballot papers, all or some of the votes on which have been counted, and
(2) the ballot papers, all the votes on which have been rejected,

and shall mark on each packet the number of papers it contains. A note shall be made giving a description of the contents of each packet and the election to which it relates.

Disposal of ballot papers.

26. (1) The president shall, after declaring the result, forward a copy of the return to the president of the district board and shall retain in his custody the packets of ballot papers, whether counted, rejected or tendered, and of the counterfoils thereof. These packets shall not be opened and their contents shall not be inspected or produced except under the orders of an election or other competent court.

(2) The president shall retain the packets for a year and shall then, unless otherwise directed by the orders of an election or other competent court, cause them to be destroyed. The marked copies of the electoral roll shall be preserved for three years.

General.

27. (1) If any person has been elected for more circles or wards than one, he shall, within 24 hours from the date of the last of such elections, intimate to the president the circle or ward for which he chooses to serve.

(2) In default of such intimation the president shall notify the circle or ward for which such person shall serve.

(3) The said person shall be deemed to have been elected for the circle or ward so chosen or notified as the case may be; and thereupon the voters of the other circles or wards for which such person has been elected shall proceed to elect a member in the manner hereinbefore provided.

28. If there is an equality of votes between any two or more candidates, the president shall, after notice to the candidates concerned, decide by drawing lots which candidate or candidates shall be deemed to have been elected.

29. The name of the candidate or candidates duly elected shall be forwarded without delay by the presidents for publication in the district gazette in the case of taluk board members. In the case of union board members, such names shall be published in the notice board of the office of the union concerned.

30. A candidate who has been duly elected may submit his withdrawal in writing to the president at any time before his election is gazetted or published. In such cases the president shall declare the candidate who has obtained the next highest number of votes to have been elected. No candidate who has submitted his withdrawal may subsequently cancel it.

31. If any question arises as to the interpretation of these rules, otherwise than in connection with an election inquiry, the question shall be referred to the Local Government whose decision shall be final.

32. If no president is, in the opinion of the Local Government, available to conduct the elections under the Madras Local Boards Act, 1920, the Local Government may direct the Revenue Divisional Officer or any other person to exercise the functions of a president under these rules.

33. In the above rules the expression "the president" shall mean the president of the union board in the case of union board elections and the president of the taluk board in the case of taluk board elections.

RULES AND DIRECTIONS OF THE SYNDICATE FOR THE ADMISSION OF HOLDERS OF SECONDARY SCHOOL-LEAVING CERTIFICATES TO UNIVERSITY COURSES OF STUDY.

I. Admission of holders of secondary school-leaving certificates to University courses of study in the academic year 1921-22 and subsequent years shall be made only in accordance with the revised rules and directions of the Syndicate herein contained

II. Such holders only of completed secondary school-leaving certificates may be admitted to University courses of study and registered as matriculates under regulation 1 of chapter XVI as (*a*) had completed not less than 16 years of age on the first day of the month in which the examination qualifying for such certificates is held, and (*b*) have been declared eligible for such admission by the Syndicate.

III. A complete list of certificate-holders declared eligible for admission to University courses of study will be published annually in the *Fort St. George Gazette*, and a copy of this list will be furnished to each Principal of an affiliated college. A certificate-holder not included in one of these lists will not be entitled to registration as a matriculate under Regulation 1 of chapter XVI except as provided in paragraph VII below.

IV. In the case of certificates issued under the authority of the Government of Madras those holders of certificates who qualify under the following rules will be included in the list of those declared eligible by the Syndicate for admission to University courses of study :—

1. Secondary school leaving certificate-holders shall be eligible for admission to University courses of study whose marks in the Public Examination or whose marks after moderation are

(*a*) in Group A subjects

either

(i) in English five marks above the Presidency average and in each of the other two subjects (except Vernacular Composition and Translation in the case of school pupils who study a classical or a foreign language under Group C and are therefore exempted the study of the former subject under Group A), not less than the Presidency average ;

or

(ii) of the total marks, in English 40 per cent and in each of the other two subjects (except Vernacular Composition and Translation in the case of school pupils who study a classical or a foreign language under Group C and are therefore exempted the study of the former subject under Group A), 35 per cent ;

(*b*) in Group C subjects

either

(i) five marks above the Presidency average in Algebra and Geometry, or Physics, or Chemistry, or English History, and not less than the Presidency average in one other subject,

or

(ii) of the total marks, 40 per cent in Algebra and Geometry, or Physics, or Chemistry, or English History, and 35 per cent in one other subject.

2. A secondary school-leaving certificate-holder who fails to qualify in Vernacular Composition or in Elementary Mathematics shall be eligible for admission, provided he obtains excess marks in English and the other subject of Group A taken together equal in number to twice the number of marks by which he is deficient in the subject in which he fails.

A secondary school-leaving certificate-holder who fails to qualify in Vernacular Composition *and* in Elementary Mathematics shall be eligible for admission, provided he obtains excess marks in English equal in number to twice the total number of marks by which he is deficient in the two other subjects.

3. A secondary school-leaving certificate-holder who qualifies in one of the four selected subjects in Group C but who fails to qualify in a second subject of that group shall be eligible for admission, provided that in the former subject he obtains excess marks equal in number to twice the number of marks by which he is deficient in the latter subject.

4. A secondary school-leaving certificate-holder who fails to qualify in Vernacular Composition, or Elementary Mathematics, or in both, and also in a second subject of Group C may be declared eligible for admission, provided that he obtains excess marks as above both in the other subject or subjects in Group A and in one of the four selected subjects of Group C.

5. The eligibility of a school-leaving certificate-holder will be determined for each Group of subjects separately, by the test of Presidency averages or fixed percentages throughout, or by the test of Presidency averages in Group A and fixed percentages in Group C, or *vice versa*.

6. A secondary school-leaving certificate-holder who fails to qualify under the preceding rules by reason of deficiency of marks

(*a*) *in one subject only*—

will be declared eligible for admission,

if the deficiency of marks is not more than one mark, irrespective of his total marks.

or

provided that the deficiency of marks	if his total marks amount to
is not more than 2 marks,	not less than 200
Do. do. 3 ,,	Do. 250
Do. do. 4 ,,	Do. 300
Do. do. 5 ,,	Do. 350

and so on

or

(*b*) *in two subjects only*—

will be declared eligible for admission provided that the deficiency is not	if his total marks amounts to not less than to 250
more than 1 mark in one subject and 1 mark in the other subject.	
,, 1 mark and 2 marks	Do. 300
,, 2 marks and 2 marks	Do. 350

For the purpose of this rule, in calculating the total marks gained, the higher mark obtained in each subject will be selected, whether examination mark or moderated mark, and in calculating the

deficiency of marks the smallest deficiency will be selected after application of both alternatives in rules 1 and 3 and after applying rules 2, 3 and 4

In the case of a secondary school-leaving certificate-holder who has been excused the study of Vernacular Composition and Translation and has taken a classical or foreign language and one other subject only under Group C, the total marks required under this rule will be reduced by one-fifth, provided always that in the case of such certificate-holder no total number of marks will be allowed to compensate for deficiency of marks in the language so taken under Group C.

In the case of a certificate-holder who has been excused the study of Vernacular Composition and Translation and has taken a classical or foreign language and *two* other subjects under Group C, the total marks required under this rule will not be reduced (his marks in each of the five subjects being taken into account), and compensation for the deficiency of marks will be admissible under this rule irrespective of subject.

7. The moderation of the marks obtained by a holder of a secondary school-leaving certificate for the purpose of the above rules will be effected as follows :—

The individual mark gained by him for the last year at school in each subject will be multiplied by the average mark for the school at the Public Examination and the result divided by the average mark at school of the candidates from the school actually appearing for the Public Examination. The figure thus obtained will be added to the individual mark gained by him at the Public Examination and the total will then be divided by two to obtain the final moderated mark.

8. In the case of certificates issued under the authority of Native States in the territorial jurisdiction of the University, similar standards for admission will be applied

V. Any candidate for admission to University courses of study who in any year fails to qualify by reason of deficiency in any subject or subjects in which he has undergone examination will be required to undergo a supplementary course at school in all the subjects of Group A, and in two subjects of Group C He must again appear at the Public Examination at the close of this supplementary course and his eligibility for admission will be determined, according to the preceding rules, either by the marks obtained by him at the last examination or by the average marks in each subject obtained by him at the last and the preceding examinations. Also in the case of a candidate who, after undergoing a supplementary course and examination, has failed again to qualify for admission to University courses of study and who is permitted to appear at the Public Examination in a subsequent year after private study, eligibility for admission will be determined, according to the preceding rules, either by the marks obtained by him at the last examination or by the average marks in each subject obtained by him at the last and the preceding examinations.

VI. Hereafter candidates for admission to colleges, whose last appearance at the Public Examination was in 1918 or earlier, must submit their certificates to this office for inspection not later than the 30th April. Every such certificate will be judged by examination marks alone according to the rules in force for certificates completed in the year in which it is submitted for inspection except that the best performance in each subject in any year will be taken into consideration.

VII. Notwithstanding anything contained in the foregoing rules, the Principals of Colleges for Women will be permitted to make admissions at their discretion of female holders of secondary school-leaving certificates whether or not the names of such holders of certificates are included in the published list of certificate-holders eligible for admission to University courses of study. Certificate-holders so admitted to Colleges for Women will be registered as matriculates under regulation 1 of chapter XVI.

VIII. The lists published annually in the *Fort St. George Gazette* will contain the names of all certificate-holders found to be eligible for admission to University courses of study in affiliated colleges, other than Colleges for Women, under the rules and directions issued by the Syndicate. It is, however, to be clearly understood that inclusion in the list confers on no certificate-holder the right of admission to any affiliated college. The Principals of Colleges are at perfect liberty to restrict admission to such applicants as they may select and are moreover required strictly to confine admission to such eligible certificate-holders as, judged by their certificates, may be expected to profit by the particular course of study upon which they propose to enter in the college selected.

The tiles shall be subject to inspection and acceptance or rejection by such person or persons as the Secretary for the time being shall from time to time name and appoint to that duty or for that purpose and any such tiles which in the opinion of the inspecting officers shall be inferior in quality to the said sample shall be rejected by the inspecting officers whose opinion and rejection shall, in all respects, be final and conclusive and binding on the contractor and shall not be open or subject to question or dispute by the contractor upon any ground whatsoever.

4. As regards any tiles rejected by the inspecting officers, the Secretary may at his discretion take delivery of all or any of such tiles at a price lower than the contract price hereinafter referred to and his decision in the matter and as regards the price to be paid therefor shall be final and binding on the contractor.

5. All tiles rejected by the inspecting officers and not taken over by the Secretary as provided in clause 4 above shall be removed by the contractor within 24 hours after such rejection shall have been notified to the contractor by the inspecting officers, and any tiles not so removed by the contractor may be sold, removed or dealt with by the Secretary as he thinks fit.

6. In lieu of the tiles which have been rejected by the inspecting officers and not taken over by the Secretary at a reduced price, the contractor shall within such time as may be fixed by the inspecting officers after such rejection shall have been notified to him as aforesaid, supply and deliver to the Secretary an equal number of tiles of the same quality and description as the said sample and in all respects equal thereto and tiles supplied in lieu of those rejected shall be in like manner subject to such rejection and removal or acceptance at a reduced price as aforesaid.

7 The Secretary will pay for all tiles approved by the inspecting officers or accepted by the Secretary under the provisions in clause 4 above within twenty-one days from the receipt after such approval or acceptance, as the case may be, of a bill made out by the contractor at the rates specified in the schedule or at the price settled by the Secretary as the case may be.

8. The contractor shall not be in any way interested or concerned directly or indirectly with the servants of Government employed in the Salt, Abkari and Customs Department in any trade, business or any transaction whatsoever, nor shall the contractor give or pay or promise to give or to pay to any such servants directly or indirectly any money or fee under the designation of custom or otherwise, nor shall he assign or make over his contract directly or indirectly to any person or persons whomsoever or permit any person or persons whomsoever to interfere in the management or performance thereof.

9. Upon the complete fulfilment of this contract by the contractor to the satisfaction of the Secretary, the latter will return the deposit to the contractor.

10. In case the contractor shall fail or neglect or refuse to observe, perform, fulfil and keep all or any one or more or any part of any one or more of the covenants, stipulations and provisions herein contained or if, at any time during the period thereof, the Secretary is of opinion that the contractor will not supply the tiles required within the time hereby provided, it shall be lawful for the Secretary, if he shall think fit to do so, forthwith to cancel this agreement by notice in writing to the contractor and to make or to enter into such other arrangement or contract as he may think fit for the supply of the tiles hereinbefore specified and the contractor shall be answerable to the purchaser for any loss or damage which may be sustained through his failure, neglect or refusal as

aforesaid but shall not be entitled to share in any savings below the rates payable to him under the terms of this agreement which the Secretary may be able to effect.

11. The Secretary may, if he thinks fit, instead of cancelling the contract and entering into another as stated above, fine the contractor in any sum not exceeding Rs. 100 on any one occasion. Such fine shall be paid within seven days of its imposition, failing which it shall be lawful to the Secretary to deduct the amount of the said fine from and out of the aforesaid deposit or from any sum or sums which may at the time be or may thereafter become due to the contractor on account of the tiles supplied by him under this contract. If these sums or the contractor's deposit or both be less than the sums which may be due at any time from the contractor to the Secretary of State then in that case, the contractor, his executors, administrators, or representatives shall forthwith repay the Secretary of State the balance of such sums.

12. The aforesaid penalties shall not be inflicted for delays which are shown to the satisfaction of the Secretary to be due to the contractor's inability to obtain railway freight.

6. Each tender must be accompanied by a deposit (in Government promissory notes or Bank receipts) as earnest-money of the amount noted against each article. When several articles are tendered for, one Bank receipt for the total amount of earnest-money will be received. In default of such deposit the tender will be rejected, nor will any tender be received after the time fixed for the opening of tenders. *No such will be received.* This deposit will be returned to unsuccessful tenderers immediately and to the others as soon as they have lodged the security mentioned in paragraph 8.

7. No person making a tender shall be allowed to withdraw his tender and in the event of his so doing his deposit shall be forfeited to Government.

16. Government promissory notes lodged as earnest money or security deposit for a period of twelve months or less *shall not be endorsed over to the Superintendent but shall remain in the name of the depositor.* The Government will appropriate or cancel the notes as per G.O. Bill No. 3 of 1921.—The Madras Cattle Disease (Amendment) Bill, with Statement of Objects and Reasons .. 383

Bill to be introduced into the Council of the Governor of Fort St. George for the purpose of making Laws and Regulations.

Under rule 18 of the rules for the conduct of business at meetings of the Madras Legislative Council the following Bill, together with the Statement of Objects and Reasons, is published for general information:—

BILL No. 3 OF 1921.

A Bill to amend the Madras Cattle Disease Act, 1866.

Whereas it is expedient to amend the Madras Cattle Disease Act, 1866, it is hereby enacted as follows:—

"1. This Act may be called the Madras Cattle Disease Amendment Act, 1921.

2. For sections 6 and 15 of the Madras Cattle Disease Act, 1866, the following shall be substituted:—

"6. If the keeper of the hospital pound should be of opinion that the animal has any contagious or infectious disease, he may thereupon require the owner of the animal or the person in charge thereof to place it in the hospital pound."

"15. In any district or part of a district in which this Act is in force, hospital pound-keepers, all Police officers not below the rank of a head constable, and such other persons as the Magistrate of the district or, in the City of Madras, the Commissioner of the Corporation may especially empower, may seize and impound all animals suffering from contagious or infectious disease, and any person who shall forcibly oppose such seizure, or who shall forcibly rescue the animals after such seizure, shall be deemed to have committed an offence punishable under section 186 of the Indian Penal Code."

3. The words 'the Commissioner of the Corporation' shall be substituted for the words 'the President of the Municipal Commission' wherever the latter occur in the Act.

STATEMENT OF OBJECTS AND REASONS.

Sections 6 and 15 of the Madras Cattle Disease Act, 1866, make it obligatory on the keeper of the hospital pound to impound every animal found to be suffering from a contagious or infectious disease. In certain instances it has been found impracticable to impound all animals suffering from a contagious disease. It has also been suggested that, in the case of a disease like rinderpest, it is better to avoid movement as far as possible. It is therefore proposed to amend the Act so as to give discretion to the keeper of the hospital pound in the matter of impounding animals. Opportunity has also been taken to make certain minor amendments in the Act.
